Flow chart

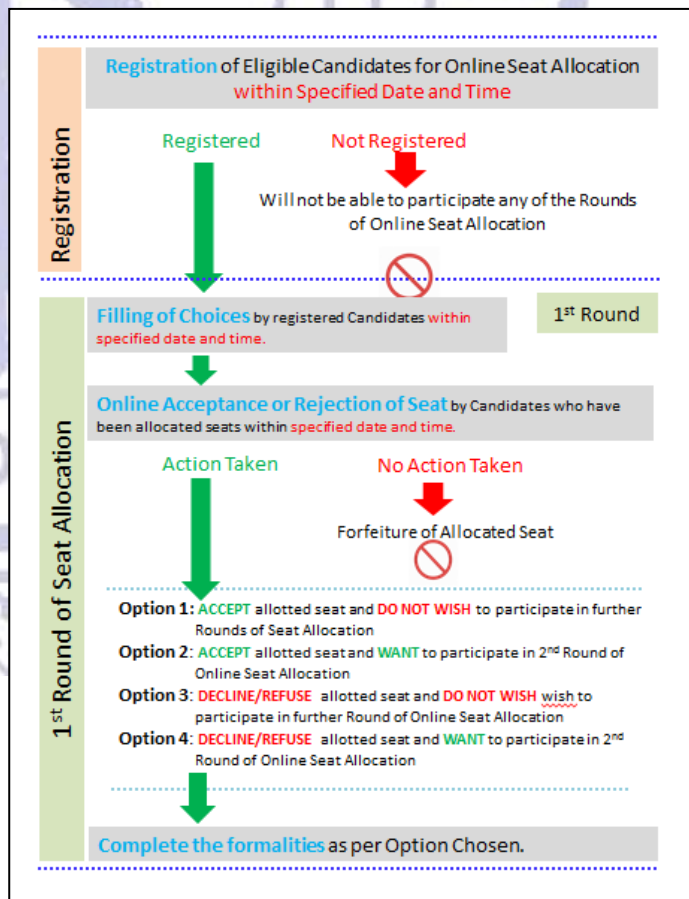

Registration for the Online B.Sc (H) Nursing Seat Allocation

On clicking the link, the eligible candidates will be directed to Online Seat Allocation portal where the candidates will have to Register for Online Seat Allocation and set new password. This password is required to access the Online Seat Allocation.

Once registered, the candidate will be able to login to the Online Seat Allocation portal and begin the process of making choices (AIIMS) and order the choices. The Online Seat Allocation portal will remain open for date and time specified in the **Important Dates link**.

Making Choices

The choices can only be made after you have registered and logged in using the new password for this portal. On logging in, confirm your name and Registration ID. Click on **Make Choice** button to proceed to exercise choices (AIIMS) and their order. To add a choice, choose the AIIMS from the drop-down menus and Click **Add choice**. To remove a choice, click on **remove** button against that Choice (AIIMS). Click on the **Save**

button to save the choices of AIIMS and their order.

The default order of your choices (AIIMS) will be the order in which you add choice (AIIMS). To reorder your choices, use up and down arrows OR Drag and Drop the choice (AIIMS) to appropriate position in the list.

Candidates can make choices (AIIMS), edit or reorder them as many times they wish UNLESS they have already submitted and locked the choices (AIIMS) OR last date and time for that Round is over. The candidate must save the choices (AIIMS) if case they wish to **add/remove/reorder** them at a later time point (before the last date and time for that Round).
