It has been observed that despite providing around 6 opportunities from date of Registration i.e. 05.02.2018 to 05.03.2018; 8-12 March 2018 & 20-28 March 2018 many applicants who have applied for AIIMS, MBBS-2018 and have submitted the fee and opted the city of examination have not completed their forms or addressed deficiencies.

The competent authority has decided to give such applicants last chance to complete their Application Form as per AIIMS requirement described in the Prospectus between 16.04.2018 to 18.04.2018 (5.00 PM).

It may be noted that in most instances the deficiencies are because applicants have not bothered to check the status of their application forms as and when required or cared to follow the requirements as mentioned in the Prospectus. Therefore, applicants are advised to go through the Prospectus, familiarize with the requirements and prepare accordingly before addressing deficiencies such as uploading correct images.

It may be noted that this will be the final chance and various pre-examination processes need to be completed without any further delay. The Admit Cards will be issued only to applicants whose Application Form & images will be found to be in order in all respects.

It may also be noted that further correspondence will not be entertained in this regard in future and it is regretted that no further chances will be provided to correct deficiencies in the applicant form. Therefore in their best interests applicants are required to utilize this opportunity to correct deficiencies in their application form.
