INTRODUCTION

1.1 AIIMS, NEW DELHI

An Act of Parliament in 1956 established the All India Institute of Medical Sciences (AIIMS, New Delhi), as an autonomous institution of national importance and defined its objectives and functions. By virtue of this Act, the Institute grants its own medical degrees and other academic distinctions. The degrees granted by the Institute under the All India Institute of Medical Sciences Act are recognized medical qualifications for the purpose of the Indian Medical Council Act and notwithstanding anything contained therein, are deemed to be included in the first schedule of that Act, entitling the holders to the same privileges as those attached to the equivalent awards from the recognized Universities of India.

1.2 SIX OTHER AIIMS

Under the Pradhan Mantri Swasthya Suraksha Yojana 6 new All India Institutes of Medical Sciences have been established similar to AIIMS, New Delhi. Government of India had decided that from Academic Session August, 2013, B.Sc. (Hons) Nursing course will be started in six new AIIMS at Bhopal, Bhubaneswar, Jodhpur, Patna, Raipur and Rishikesh. The proposal is for an intake of 60 students for each except AIIMS Rishikesh intake of 100 students for B.Sc. (Hons) Nursing Course. The Ministry after deliberation took the view that selection for admission should be done through the same entrance examination through which candidates are selected for AIIMS New Delhi. The counseling and admission in six new AIIMS will be done by the Ministry of Health & Family Welfare, Government of India. Any dispute in regard to counseling and admission to six new AIIMS will be dealt with by Ministry of Health and Family Welfare, Nirman Bhavan, New Delhi.

AIMS & OBJECTIVES

2.1 AIIMS, NEW DELHI

In the field of Undergraduate education, the most essential function of the Institute is to provide opportunities for training teachers for medical colleges in the country in an atmosphere of research and enquiry. The undergraduate students are exposed to the newer methods of teaching and given opportunities to actively participate in teaching exercises. The other important objectives of the Institute are to bring together in one place educational facilities of the highest order for the training of personnel in all the important branches of health activity and to attain self-sufficiency in undergraduate & postgraduate medical education. The educational principles and practices being adopted are those which are best suited to the needs of the nation.

2.2 SIX OTHER AIIMS

Aims and objectives of the Six other AIIMS institutes are also of similar nature as mentioned above for AIIMS, New Delhi.
B. **Post-Graduate Courses**:

2. **M.Sc.**: Anatomy, Biochemistry, Biophysics, Pharmacology, Physiology, Perfusion Technology, Reproductive Biology and Clinical Embryology, Nuclear Medicine Technology and Cardiovascular Imaging and Endovascular Technologies

5. **B.Sc. IN DENTAL OPERATING ROOM ASSISTANT**

Aim of the Course: the course aims to produce caring, knowledgeable, competent and skillful professionals, who are above to accept professional responsibility for their contribution to the effective and safe care of patients. These professionals will appreciate the need for continuing professional development and apply advances in relevant knowledge throughout their career.

6. **B.Sc. IN DENTAL HYGINE**

Aim of the Course: the course aims to produce caring, knowledgeable, competent and skillful professionals, who are above to accept professional responsibility for their contribution to the effective and safe care of patients. These professionals will appreciate the need for continuing professional development and apply advances in relevant knowledge throughout their career.

7. **B.Sc. COURSE IN OPERATION THEATRE TECHNOLOGY**

The course has been planned to upgrade the standard for the hospital operating theatre assistant. The students who have passed 10+2 schooling or equivalent to that or who are already working in the OT are planned to receive training. Very few Government hospitals in our country have got the facility for this course.
The proposed training in this field will enable them to learn systematically the theoretical and practical aspects of operating room techniques and enable us to select trained technicians in this field. It has become essential as very highly technology oriented equipment of different types like anaesthesia machines & monitors, pain management devices, and other surgical equipments are commonly used in the modern operation theatre and ICU.

**SCOPE:**

i. The Course prepares the operating theatre technologist to work as a competent and reliable member of the health care team who can work harmoniously with doctors, nursing and other health care support staff for effective delivery of patient care.

ii. Training also focuses on the knowledge and skills of monitoring infection control policy and procedures in the operating theatre.

iii. This programme prepares individuals to assist anaesthesiologists, and surgeons in developing and implementing patient anaesthesia care plans, including preoperative, operation theatre, recovery room, post-operative care, intensive care procedures and pain interventions procedures.

iv. The program is intended to equip the candidates in modern day operation room technology including patient data collection ad adherence to safety check lists, communication and soft skills, ethics, safe transfer of patient, in and out of operation theatre.

v. The candidate will be trained for perioperative management includes patient data collection, airway management, assisting the administration and monitoring of regional and peripheral nerve blockades, support therapy, adjusting anaesthetic levels during surgery, inter-operative monitoring, postoperative procedures, pain clinics and patient education.

vi. Course will also prepare candidate to provide the anesthesia support services & surgical care basics like manifold system, central sterilization system, installation, maintenance, basic care and trouble shooting of various electrosurgical devices, laparoscopic, endoscopic and robotic instruments, basic asepsis, wound care and dressings, common surgical procedures like catheterization, chest and abdominal drainage, basic knowledge of common surgical instruments and suture materials, safe use and disposal of sharps, universal precautions, biomedical waste management and administrative tasks.

ii) Bachelor of Optometry / B.Sc. (Hons.) Medical Technology in Radiography courses
   a) One paper of 1½ hours duration and consisting of objective type (Multiple Choice) questions in four parts of 30 questions each in the subjects of Physics, Chemistry, Biology and Mathematics. The candidate may either attempt biology part or Mathematics part.
b) Based on the result of the Entrance Examination, separate merit lists will be prepared for the General, OBC, Scheduled Caste and Scheduled Tribe categories.

**Note:**

The allocation of disciplines will be on merit basis & by online counseling. In each category the number of candidates called for online counseling will be 8 times the number of seats. The order of online counseling will be General/ST/SC/OBC. The counseling will be done strictly by combined merit list starting from Rank No.1. The candidates in order of merit will exercise their choice of subject both in unreserved category and their concerned reserved category.

When a reserved category candidate (who is in combined merit list) is called according to combined merit list, he/she will simultaneously be given an option to exercise their choice of subject both in unreserved category and his/her concerned reserved category. If such a candidate opts for the subject which is available at that time of his/her counseling, both in unreserved category and reserved category, he/she will be given seats only from unreserved category as he/she is in merit and will be treated as unreserved candidate and will consume an unreserved seat. He/she will be given the reserved seats only when his/her choice of the subject is available in the reserved category only, not in unreserved category and then will consume a reserved seat. When all the seats of unreserved category are finished then only reserved category online counseling will be done. Counseling will be held as per schedule given under ‘At a Glance’ on the inner side of the front cover of this Prospectus.

4. The general standard of each entrance examination will be that of 12th class under the 10+2 scheme or an equivalent examination of an Indian University/Board. **No syllabus for examination has been prescribed by the Institute.**

5. **Method of Resolving Ties:** In case of two or more candidates belonging to the same category obtaining equal marks in the entrance examination, their inter se merit will be determined in order of preference as under:

   a) Candidates obtaining higher marks in Biology (or Mathematics, in the case of Para-Medical courses) in the entrance examination.

   b) Candidates obtaining higher marks in Chemistry in the entrance examination.

   c) Candidates obtaining higher marks in Physics in the entrance examination.

   d) Candidate older in age to be preferred.

**B. B.Sc. Nursing (Post-Basic)**

a) The examination will be held in Delhi, and in English language only.

b) The selection of candidates will be made on a 2-stage performance evaluation as under:

**Stage I: Written Test:**
Candidate will appear for an entrance examination (Written Test) of 90 minutes duration consisting of one paper containing 70 objective type (Multiple Choice) questions in the subjects of fundamentals of Nursing, Medical Surgical Nursing including Anatomy, Physiology & Pharmacology, Obstetrics Nursing and Midwifery, Paediatric Nursing, Community Health Nursing, Psychiatric Nursing and Professional Trends in Nursing.

**Stage II: Personal Assessment / Interview:**
On the basis of the merit list based on the marks secured in Stage-I, candidate three times the number of seats will be invited for Personal Assessment by a Selection Committee. If requisite number of SC or ST candidates are not available, then candidates belonging to SC and ST taken together will be invited. In case candidates belonging to SCs, STs & OBCs are not available for Personal Assessment, then the number of candidates from the General category will be proportionately increased.

**Marks in Personal Assessment will be awarded out of 30.** The following factors will also be considered at the time to personal assessment:

- Past academic attainment in the Higher Secondary or +2 or equivalent examination;
- Past academic attainment in the Nursing examination;
- Performance as a Staff Nurse.

Admission will be made on the basis of the aggregate marks secured by candidates in Stage-I & **Stage-II.**
Method of Resolving Ties - In case of two or more candidates securing equal marks in all the 2 stages combined, their inter se merit will be determined in order of preference as under:

i) Candidates securing higher marks in Written Test (Stage-I)

ii) Candidates older in age to be preferred.
